

24-Hour HAZWOPER Training

Our online **24-Hour HAZWOPER Training** course is designed for hazardous waste and emergency response workers who must satisfy their 24-hour HAZWOPER training requirement. OSHA standards require employees to complete HAZWOPER training prior to entering or beginning work on an uncontrolled hazardous waste operation.

Examples of workers who may need for this online training are:

- New Employees
- Hazardous Materials Technicians
- Hazardous Materials Specialists
- On-Scene Incident Commanders
- Management and Supervisors*
